With respect to any Lot owned by Declarant and with respect to the Commons, nothing contained in this Declaration shall be construed to prevent the operation, erection, maintenance or storage by Declarant, or their duly authorized agents, of structures, Improvements, signs, materials, fluids or equipment necessary or convenient to the maintenance, development, or sale of Property within Mulholland.

Section 2. Environmental and Drainage Easement. The Association as owner of the Commons and the Owners of Lots shall have the obligation of maintaining that portion of their Property within any Environmental and Drainage Easement ("E & D Easement") and/or 100 Year Flood Line in its natural state, free of accumulations of brush, deadwood, and any other debris so as to permit the unhindered natural flow of drainage. Improvements may be built within such areas only with the prior written consent of the Design Review Committee. The Design Review Committee may consult with a licensed engineer as to the materiality of the impact of any such Improvement on the existing natural drainage in Mulholland and adjacent areas. The Design Review Committee shall have the right to determine, in its sole discretion, the standards to be met by Lot Owners in maintaining the E

& D Easement and the 100 Year Flood Line. In the event a Lot Owner at any time fails to so maintain such areas, then the Association shall have the right to forthwith enter upon the affected Lot, cause the maintenance to be performed and charge the cost thereof to the Lot Owner. The cost of such maintenance shall be the personal liability of the Lot Owner. The Lot Owner shall reimburse the Association for the cost of such maintenance immediately upon being given notice in writing of the cost thereof. In the event reimbursement is not made to the Association within 3 days after such notice to the Lot Owner, then the cost of such maintenance shall become a lien on the Owner's Lot, which lien may be enforced by the Association in the same manner as provided in Article VII for enforcement of delinquent assessments. The area of a Lot within the E & D Easement or 100 Year Flood Line remains the private property of the Owner of the Lot and is subject to the exclusive use and control of the Owner, except as otherwise provided in this paragraph. The Design Review Committee shall have the right to change the size and location of the Drainage and Environmental Easement, with the advice of a professional engineer; provided, however, any such change on a Lot shall first require the written consent of the Lot Owner.

ARTICLE V MULHOLLAND HOMEOWNERS' ASSOCIATION

Section 1. The Association. The Association is a nonprofit Oklahoma corporation charged with the duties and invested with the powers prescribed by law and set forth in the Articles, Bylaws, and this Declaration. Neither the Articles nor the Bylaws shall, for any reason, be amended or otherwise changed or interpreted so as to be inconsistent with this Declaration.

Section 2. Board of Directors. The Association shall have a Board of Directors, as provided in this Declaration. Any action taken pursuant to the rights, powers, and duties granted to the Association by the Declaration, Articles, Bylaws, Association Rules, and Design Review Rules may be taken by the Association only upon the vote of its Board. The affairs of the Association shall be conducted by, and the Association shall act through, its Board and such officers as the Board may elect or appoint, in accordance with the Declaration, the Articles, and the Bylaws, as the same may be amended from time to time. The Association may act only as determined by a majority vote of the Board, except where a vote of more than a majority of the Board is specifically required in this Declaration, the Articles, or the Bylaws.

Section 3. Powers and Duties of the Association. The Association shall have such rights, powers, and duties as set forth in this Declaration, the Articles, and Bylaws, as same may be amended from time to time, which shall include, but not be limited to, the following:

a. Property Taxes and Assessments. To the extent not assessed to or paid directly by the Owners, the Association shall pay all real and personal property taxes and assessments levied upon any portion of the Common Area or other property owned by the Association, and all charges for water, electricity, and other utilities provided to Common Areas.

b. Property Insurance. The Association may keep any Improvements in the Commons insured against loss or damage from such hazards and with such policy limits as it may deem desirable. The Association may also insure any other property, whether real or personal, owned by the Association, against loss or damage from such hazards the Association may deem desirable, with the Association as the Owner and beneficiary of such insurance. Premiums for all insurance carried by the Association shall be a common expense included in the assessments made by the Association. Insurance proceeds shall be used by the Association for the repair or replacement of the property on which the insurance was carried or otherwise utilized as determined by the Association.

c. Liability Insurance. The Association shall have the power to obtain comprehensive public liability insurance, in such limits as it shall deem desirable, and workmen's compensation insurance and other liability insurance as it may deem desirable. Insureds may include the Association, the Owners, the Board, the Declarant, and managing agents, if any. The premiums for liability insurance are common expenses included in the assessments made by the Association.

d. Other Insurance. The Board, at its option, may elect to cause the Association to obtain one or more blanket insurance policies or umbrella insurance policies, as to one or more of the types of insurance required or deemed advisable by the Association or its Members with such policy limits as may be deemed

advisable by the Board; and, if such policy or policies are obtained, the Association shall prorate the cost thereof among the members of the Association.

e. Management Contracts. The Association shall have the power to enter into management agreements with management organizations of its choosing for the maintenance of the Commons and the Improvements located thereon. Any such agreement or any other contract providing for such services, may not exceed a term of three years. Any such agreement shall be terminable by either party without cause and without payment of any termination fee upon ninety days written notice.

Section 4. The Association Rules. The Association may, from time to time, adopt, amend, repeal and enforce rules and regulations to be known as The "Association Rules." The Association Rules may restrict and govern the use of any area by any Owner, or by any invitee of such Owner; provided, however, that the Association Rules may not discriminate among Owners and shall not be inconsistent with this Declaration, the Articles, or Bylaws. A copy of the Association Rules, as they may from time to time be adopted, amended, or repealed, shall be mailed or otherwise delivered to each Owner and may be recorded. Upon such recordation, said Rules shall have the same force and effect as if they were set forth in and were a part of this Declaration.

Section 5. Enforcement of Rules. For each violation by an Owner or an Owner's Invitee of the provisions of this Declaration, the Articles, the Bylaws, the Design Review Rules, or the Association Rules, the Board may, upon ten days' written notice, suspend an Owner's voting rights and (except for ingress and egress to and from Owner's Lot) the right of the Owner and any invitee of the Owner to use the Commons and the facilities situated upon the Commons for a period not to exceed 60 days. In addition to the suspension provided herein, the Board may seek an injunction or other redress in a court of law. Any Owner against whom such injunction or redress is sought shall be liable for attorney's fees and costs incurred by the Board on behalf of the Association, and such amounts may be collected in the same manner as assessments as provided herein. Any suspension or injunctive action must be approved by the Board, and all decisions of the Board shall be final. The remedies provided in this paragraph are cumulative and may be exercised simultaneously with, and in addition to, the remedies provided in this Declaration for collection of assessments.

Section 6. Personal Liability. No member of the Board, or of any Committee of the Association, or any officers of the Association, shall be personally liable to any Owner, or to any other party, including the Association, for any damage, loss, or prejudice suffered or claimed on account of any act, omission, error, or negligence of the Association, the Board, the officers, or any other representative or employee of the Association, or the Design Review Committee, or any other Committee, or any officer of the Association, provided that such person has, upon the basis of such information as may be possessed by him, acted in good faith, without willful misconduct.

ARTICLE VI MEMBERSHIP AND VOTING RIGHTS

Section 1. Membership. Every Owner of a Lot shall be a member of the Association. Membership shall be appurtenant to and may not be separated from ownership of any Lot.

Section 2. Directors. The Association shall have three directors. The directors shall be elected by vote of all of the Owners, including the Declarant.

Section 3. Voting. Owners shall vote only by Lot, and each Lot shall have one vote. Fractional votes shall not be allowed. In the event Owners of a Lot are unable to agree among themselves as to how the vote for that Lot shall be cast, they shall lose their right to cast the vote for such Lot on the matter in question. When any Owner casts a vote representing a certain Lot, it will thereafter be conclusively presumed for all purposes that he or they were acting with the authority and consent of all other Owners of the same Lot, unless the other Owner or Owners are present and object at the time-the vote is Cast. Notwithstanding anything contained herein to the contrary, Declarant shall have ten votes for each Lot owned by Declarant. A mortgagee who becomes an Owner by foreclosure or by deed in lieu of foreclosure shall succeed to the number of votes of the mortgagee's predecessor in title.

Section 4. Election of Directors. In any election of the members of the Board, one ballot shall be taken after nominations have been received. The three nominees receiving the highest number of votes shall be deemed elected to the Board. Any tie votes shall be broken by lottery.

Section 5. Rights of Members. Each member shall have such other rights, duties, and obligations as set forth in the Articles, Bylaws, Design Review Rules, and Association Rules as same may be amended from time to time.

Section 6. Transferability. The Association membership of an Owner shall be appurtenant to the Lot of said Owner. The rights and obligations of an Owner and membership in the Association shall not be assigned, transferred, pledged, conveyed, or alienated in any way except upon transfer of record of ownership to the Owner's Lot and then only to the transferee of ownership to such Lot, or by intestate succession, testamentary disposition, foreclosure of a mortgage of record, or such other legal process as is now in effect or as may hereafter be established under or pursuant to the laws of the State of Oklahoma. Any attempt to make piie transfer shall be void. Any transfer of record of ownership to a Lot shall operate to transfer said membership to the new Owner thereof.

Section 7. Power to Borrow. The Association may borrow, for Association purposes, but borrowings in the excess of \$1,000 of aggregate Association debt shall require the prior approval of at least 2/3rds of the votes of the Lots. No Owners shall be required to become personally obligated on debts of the Association to third parties, unless they do so voluntarily. The Association may not pledge or mortgage its real estate or the Improvements located thereon, but may pledge its tangible personal property to secure its debts.

ARTICLE VII COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of Lien and Personal Obligation of Assessments. The Declarant, for each Lot within Mulholland, hereby covenants, and each Purchaser of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association such assessments as may become applicable to their Lots, as provided in this Declaration. There is hereby created in favor of the Association the right to claim a lien with power of sale for the amount of any such assessment, together with interest, costs, and a reasonable attorney's fee on each and every Lot within Mulholland to secure payment to the Association of any and all assessments levied against such Lot. The personal obligation for delinquent assessments shall not pass to successor Owners unless expressly assumed by them, but shall remain a lien on such Lot (except as provided in Section 10 below) and the personal obligation of the Owner who was Owner at the time the assessment was made.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety, and welfare of the residents in Mulholland, for the maintenance and improvement of the Commons, for maintaining the overall aesthetic beauty of Mulholland, and to cover the cost of services and materials incidental thereto and incidental to the operation of the Association. The regular assessment shall include the establishment of adequate reserves for repair and replacement of capital items. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use Of the Commons or by the abandonment of his Lot.

Section 3. Amount of Regular Assessment. Regular assessments shall be made on an annual basis, and shall be fixed at a uniform rate per month for all Lots subject to assessment. The maximum regular assessment for the calendar year 1993 shall be \$50.00 per Lot per month. For calendar year 1994, and after, the Board may set the regular assessment in any amount per Lot per month not in excess of the maximum regular assessment per Lot per month for the year for which the assessment is made. For calendar years after 1993, the maximum regular assessment per Lot per month shall be ten percent (10%) above the maximum regular assessment per Lot per month permissible for the previous year. The regular assessment per Lot per month may be set in excess of the maximum only if first recommended by the Board and approved by 2/3rds of the votes of the Lots.

Section 4. Special Assessments. Special assessments are applicable only to all Owners of Improved Lots (other than Declarant), and must first be recommended by the Board and then approved by a majority of the votes of all Improved Lots (other than Declarant). Special assessments shall be applicable to not more than three calendar years after the date of assessment. Special assessments shall be only for Association purposes,

including, but not limited to, defraying the cost of any construction, reconstruction, repair, or replacement of roads, paving, culverts, dams, shorelines, drainage areas, etc., in the Commons; the establishment of reserves for such costs; and the provision of special services such as security patrols and entry control.

Section 5. Regular and Special Assessment Obligation. Lots and the Owners thereof shall be obligated for any regular assessment or special assessment per Lot made by the Association, provided that notwithstanding anything herein to the contrary, Declarant shall not be required to pay any regular or special assessment. Written notice of any meeting called for the purpose of approving any regular or special assessment requiring Owner approval shall be sent to all Owners not less than 10 days nor more than 30 days in advance of the meeting. At the first meeting called, the presence at the meeting of Owners, or of proxies, entitled to cast sixty percent (60%) of all the votes shall constitute a quorum. If the required quorum is not forthcoming at that meeting, another meeting may be called, after five days written notice, and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty days following the preceding meeting.

Section 6. Uniform Rate of Assessment. Both annual and special assessments must be fixed at a uniform rate for all Lots to which the assessment applies, and may be collected on a monthly, quarterly, semi-annual or annual basis.

Section 7. Due Date of Assessments. The regular assessment period shall be the calendar year. Written notice of the regular assessment and each special assessment shall be sent to every Owner subject thereto. The due date (or dates, if made payable in installments) shall be established by the Board. The Association shall, upon demand, and for reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid.

Section 8. Effect of Non-Payment of Assessments: Remedies of the Association. Each Owner of any Lot shall be deemed to covenant and agree to the enforcement of the assessments in the manner herein specified. If any assessment, or installment thereof, is not paid by the due date specified by the Board, the Owner or Owner of the Lot for which the delinquent assessment or installment is unpaid shall lose the right to cast the vote of that Lot in the Association until all amounts due are paid in full. The Association may employ an attorney or attorneys for collection of any delinquent assessment or installment thereof, whether by suit or otherwise, or to enforce compliance with or for specific performance of the terms and conditions of this Declaration, or for any other purpose in connection with the breach of this Declaration, the Articles, Bylaws, Design Review Rules or the Association Rules. In addition to any amounts due or any relief or remedy obtained by the Association against an Owner, such Owner agrees to pay the Association its reasonable attorneys' fees, plus interest and costs thereby incurred. Any interest provided in this Declaration shall be compounded monthly and charged at an annual rate equal to the lesser of the maximum rate permitted by law, or the prime rate quoted by Capital National Bank of Oklahoma City, Oklahoma, plus three percent (3%), and shall vary with any changes in said prime rate during the period for which interest is computed. In the event an assessment or installment thereof is not paid when due, and thus becomes a delinquent obligation, or in the event an Owner fails to perform or comply with any other obligation of this Declaration, the Articles, Bylaws, Design Review Rules or the Association Rules, then (in addition to any other remedies herein or by law or by equity provided) the Association may enforce each such obligation by either or both of the following procedures:

a. Enforcement By Suit. The Board may cause a suit to be commenced and maintained in the name of the Association against an Owner to collect such delinquent assessments; to cause a temporary and/or permanent injunction or mandatory injunction to issue for compliance with or performance of said obligations by an Owner and/or his invitees; and to seek damages against an Owner or his invitee for violation of said obligation. Any judgment rendered in favor of the Association in any such action shall include (but not necessarily be limited to) the amount of any delinquency, together with interest thereon from the date of delinquency at the rate provided above, court costs, and reasonable attorneys' fees in such amount as the court may determine against the Owner.

b. Enforcement By Lien. There is hereby created a claim of lien, with power of sale, on each and every Lot within Mulholland to secure payment to the Association of any and all assessments levied and other sums charged against any and all Owners of such Lots together with interest thereon as specified in this Section from the date of delinquency, and all costs of collection which may be paid or incurred by the Association in connection therewith, including reasonable attorney's fees. At any time within ninety days after the occurrence of any default in the payment of any such assessment, the Association, or any authorized representative may, but

shall not be required to, make a written demand for payment to the defaulting Owner, on behalf of the Association. Said demand shall state the date and amount of the delinquency. Each default shall constitute a separate basis for a demand or claim of lien or a lien, but any number of defaults may be included within a single demand or claim of lien. If such delinquency is not paid within ten days after delivery of such demand, or, even without such a written demand being made, the Association may elect to file such a claim of lien on behalf of the Association against the Lot of the defaulting Owner. The Association may file of record a lien in favor of the Association against any Lot with a delinquent assessment. Such a lien shall be executed and acknowledged by any officer of the Association, and shall contain substantially the following information:

- (1) The name of the Owner of the Lot with the delinquent assessment;
- (2) The legal description and street address of the Lot against which lien is filed;
- (3) The total amount claimed to be due and owing for the amount of the delinquency, interest thereon, court costs, and reasonable attorneys' fees, all of which constitute the amount of the lien;
- (4) A recital to the effect that the lien is filed by the Association pursuant to the Declaration.

Upon recordation of a duly executed original or copy of such a lien, then the lien shall immediately attach and become effective in favor of the Association as a lien upon the Lot against which such assessment was levied, and shall secure the amounts claimed therein. Such a lien shall have priority over any claim of homestead or other exemption and over all liens, mortgages, deeds of trust, or claims or encumbrances created subsequent to the recordation of the lien provided hereby, except only tax liens for real property taxes on any Lot, and assessments on any Lot in favor of any municipal or other governmental assessing unit. Any such lien may be foreclosed by appropriate action in court or in the manner provided by law for the foreclosure of a realty mortgage or trust deed as set forth by the laws of the State of Oklahoma, as the same may be changed or amended. The lien provided for herein shall be in favor of the Association and shall be for the benefit of the Association. The Association shall have the power to bid in at any foreclosure sale and to purchase, acquire, hold, lease, mortgage, and convey any Lot. In the event such foreclosure is by action in court, reasonable attorney's fees, court costs, title search fees, interest and all other costs and expenses shall be allowed to the extent permitted by law. Each Owner, by becoming an Owner of a Lot in Mulholland, hereby expressly waives any objection to the enforcement and foreclosure of this lien substantially in the manner provided herein, or in any manner provided by law.

Section 10. Priority of Lien. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or deed of trust. The sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to the foreclosure of any prior lien shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof, nor shall the Owner or Owners prior to foreclosure sale or transfer be relieved of his or their personal liability for the assessments unpaid prior to such sale or transfer. Any other sale or transfer of any Lot shall not affect the assessment lien.

ARTICLE VIII DESIGN REVIEW COMMITTEE

Section 1. Organization, Power of Appointment and Removal of Members. The Association shall have a Design Review Committee, organized as follows:

a. Committee Composition. The Design Review Committee shall consist of seven members. None of such members shall be required to be an architect or to meet any other particular qualifications for membership. A member of the Committee need not be, but may be, a member of the Association, a member of the Board, or an officer of the Association.

b. Quorum. Four members of the Committee shall constitute quorum, and may act on behalf of the Committee; and any action so taken shall be fully effective as if taken by all members of the Committee.

c. Appointment and Removal. The right to appoint and remove all members of the Design Review Committee at any time shall be and is hereby vested solely in the Declarant, so long as it owns any Lot in Mulholland unless waived from time to time by Declarant. After the Declarant no longer owns any Lots, the right to appoint and remove all members of the Design Review Committee at any time shall be and thereby is vested solely in the Board. Exercise of the right of appointment and removal, as set forth herein, shall be evidenced by the execution of appropriate minutes filed in the minute book of the Association.

d. Resignations. Any regular member of the Design Review Committee may at any time resign from the Committee by giving written notice thereof to Declarant or to the Board, whichever then has the right to appoint Committee members.

e. Vacancies. Vacancies on the Design Review Committee however cause, shall be filled by the Declarant or the Board, whichever then has the power to appoint Committee members. A vacancy or vacancies on the Design Review Committee shall be deemed to exist in case of the death, resignation or removal of any member.

Section 2. Duties and Authority. It shall be the duty of the Design Review Committee to consider and act upon any and all proposals or plans submitted to it pursuant to the terms hereof, to adopt Design Review Rules which may be more stringent than, but which shall not be inconsistent with, this Declaration, and to carry out all other duties imposed upon it by the Declaration. The prior approval of the Design Review Committee shall be required for the construction or reconstruction of any Improvement located within Mulholland and for such other matters as may be provided in this Declaration, the Articles, Bylaws, and Design Review Rules.

Section 3. Approval. Any approval granted by the Design Review Committee shall be in writing and, unless otherwise specified in said approval, shall be conditioned upon and require the continued maintenance, landscaping, and screening, as appropriate, of any Improvements on a Lot by the Owner and of any Improvements on the Commons by the Association, and the satisfaction of such other requirements as the Design Review Committee may determine. Any Improvements submitted to and approved by the Design Review Committee must be commenced to within one year from the date of said approval, or said approval shall be deemed revoked, and the Owner must again seek approval pursuant to the Design Review Rules. After commencement of the work on an Improvement, the work thereon must be diligently and continuously pursued to completion.

Section 4. General Considerations. Pursuant to its rule-making power, the Design Review Committee shall establish a procedure for the preparation, submission, and determination of applications for any alteration or Improvement. The Design Review Committee shall have the right to disapprove any plans or specifications for grading or other plans, which are not suitable or desirable, in its opinion, for aesthetic or other reasons, and in so passing upon such plans, and without any limitation of the foregoing, it shall have the right to take into consideration the suitability of the proposed Improvement, its size, the materials of which it is to be built, the site upon which it is proposed to erect the same, the harmony thereof with the surroundings and the topography, the effect upon view and light, and the effect of the building or other structure as planned on the outlook from the adjacent or neighboring property. All decisions of the Design Review Committee shall be final, and no Owner or other parties shall have recourse against the Design Review Committee for its disapproval of any such plans and specifications or plot plan, including lawn area and landscaping. Any approval by the Design Review Committee may be made contingent upon the satisfaction of such conditions as the Committee may specify in the Design Review Rules or in any approval.

Section 5. Meetings and Compensation. The Design Review Committee shall meet from time to time as necessary to perform its duties hereunder. The vote or written consent of any four members, at a meeting or otherwise, shall constitute the act of the Design Review Committee. The Design Review Committee shall keep and maintain a written record of all actions taken by it at such meetings. Members of the Design Review Committee shall not be entitled to compensation for their services. However, the Design Review Committee may hire engineers or other consultants at Association expense.

Section 6. Waiver. The approval of the Design Review Committee of any plans, drawings, or specifications for any work done or proposed, or for any other matter requiring the approval of the Design Review Committee under the Declaration shall not be deemed to constitute a waiver of any right to withhold approval of any similar plan, drawing, specification, or matter subsequently submitted for approval. Failure of the Design

Review Committee to enforce a conditional approval or rule now or hereafter contained in the Design Review Rules shall in no event be deemed a waiver of the right to do so thereafter.

Section 7. Liability. Neither the Design Review Committee nor any member thereof shall be liable to the Association, any Owner, or to any other party, for any act or omission resulting in any claim for any damage, loss, or prejudice suffered including, but not limited to, (a) the approval or disapproval of any plans, drawings, or specifications, whether or not defective, (b) the construction or performance of any work, whether or not pursuant to approved plans, drawings, and specifications, (c) the development of any Property within Mulholland, or (d) the execution and filing of any estoppel certificate, whether or not the facts therein are correct; provided, however, that with respect to the act or omission of a member, such member has acted in good faith on the basis of such information as may be possessed by him.

Section 8. Time for Approval. In the event the Design Review Committee fails to approve or disapprove a matter within thirty (30) days after said plans and specifications have been submitted to it in due form as requested by the Design Review Committee, such matter will be deemed approved, and the prior written approval required by this Article will be deemed to have been complied with fully. However, such matter must be promptly accomplished in accordance with said plans and specifications, and such matter shall in all respects be and continue in the future to be in compliance with this Declaration.

ARTICLE IX MAINTENANCE AND IMPROVEMENTS BY DECLARANT

Section 1. Maintenance by Declarant. Declarant shall contract with the Association, immediately after the Association is organized, for specified maintenance of the Commons at a cost set forth in said contract. The Declarant may provide maintenance or services in addition to those specified in the contract. However, the Association shall not be obligated to pay for or reimburse the Declarant for such additional maintenance and services unless approved by the Board.

Section 2. Existing Improvements. Declarant shall, at its expense, initially provide the Association with a concrete road in the Commons, as indicated by the Subdivision Plat. The maintenance, repair, and replacement of said concrete road shall be the responsibility of and at the expense of the Association.

ARTICLE X ANNEXATION AND AMENDMENT BY DECLARANT

Section 1. Right to Annex Additional Property. Notwithstanding anything herein contained to the contrary, if Declarant should from time to time desire to develop for residential purposes, additional property in Section 29, T14N, R3W of the I.M., Oklahoma County, Oklahoma, Declarant may annex such property to Mulholland upon the terms and conditions contained in this Article.

Section 2. Amendments Authorized. Such annexation shall be accomplished by Declarant filing an amendment to this Declaration specifying the property that is annexed and thus becomes subject to this Declaration. The amendment to this Declaration by Declarant, and any incidental amendments to the Association's Articles, Bylaws and Rules shall be accomplished by Declarant at its expense. This Declaration, when so amended, shall be substantially unchanged, except as to the definition of the Property; the number of Lots; the number of Owners who are members of the Association; additional mutual and reciprocal easements; and, such other matters as are reasonably incidental to implementing such annexation. Provided, however, that the provisions regarding maximum regular assessments shall not be modified by Declarant in the amended Declaration without the consent of a majority of the Owners, which majority shall be determined with reference only to those who are Owners prior to the amendment affecting regular assessments.

Section 3. Effect of Amendments. Upon the amendment of the Declaration to annex additional property, then the Lots, Common Areas, easements, rights of way, Owners and Property which comprise the annexed property shall in all respects be treated as Lots, Common Areas, easements, rights of way, Owners and Property of Mulholland, and shall be the subject of this Declaration, as so amended, and the Articles, Bylaws and Rules of the Association, for all purposes.

Section 4. Maximum Area that May be Annexed. The total amount of additional property which may be annexed hereto by Declarant to the initial Subdivision Plat containing 44 lots shall not exceed 210 acres in area. Any annexed property shall be developed solely for high quality residential purposes.

Section 5. Extension of Streets and Utilities. Upon the filing of an Amended Declaration, Declarant, at Declarant's expense, may extend the private road designated as Saddle River Drive on the Subdivision Plat at the north end of Mulholland into the annexed property and/or may extend new streets to access and intersect with the private road designated as Mulholland Drive on the Subdivision Plat. All roads to be developed in property annexed to Mulholland shall be of a quality and standard equal to or better than the existing private roads in Mulholland. Declarant may utilize existing utility easements in Mulholland to extend utility services to the annexed property. Declarant may construct an entrance, entryway, and appropriate roads and streets on any of the existing Commons to provide appropriate access to the annexed property.

Section 6. Consent to Annexation. Each Owner of a Lot in Mulholland, by acceptance of a conveyance of said Lot, does thereby consent to the annexation of additional property by Declarant substantially in accordance with the terms and Conditions contained herein; consents to the amendment of the Declaration by Declarant as contemplated herein; and, agrees to cooperate in such incidental amendments to the Articles, Bylaws, and Rules of the Association as may be appropriate. No further consent by Owners or by the Association shall be required for such annexation of property by Declarant or the amendment incidental thereto of the Declarant, articles, Bylaws, and Rules.

Section 7. No Obligation to Annex Property. The provisions of the Article are intended to apply only to property annexed to Mulholland by Declarant. This Article is not intended to in any way restrict development by Declarant or any third party of any property in Section 29, T14N, R3W of the I. M. in Oklahoma County, Oklahoma, that Declarant does not elect to annex to Mulholland.

ARTICLE XI GENERAL PROVISIONS

Section 1. Enforcement. Any Owner, as well as the Association, shall have the right to enforce by any proceeding at law or in equity all restrictions, conditions, covenants, reservations, liens, charges, and rules now or hereafter imposed by the provisions of this Declaration. Failure by any Owner or the Association to enforce any such restriction, condition, covenant, reservation, lien, charge, or rule now or hereafter contained in the Declaration shall in no event be deemed a waiver of the right to do so thereafter.

Section 2. Severability. Every term and provision of this Declaration, and of the Articles, Bylaws, Design Review Rules and Association Rules referenced herein, is intended to be severable. If any such term or provision is illegal or invalid for any reason whatsoever, such illegality or invalidity shall not affect the legality or validity of any other of such terms and provisions.

Section 3. Amendment. The covenants and restrictions of this Declaration shall run with and bind the Property and each Owner hereof, and shall inure to the benefit of each Owner and the Association from and after the date this Declaration is recorded. This Declaration may be amended at any time with the approval of at least eighty percent (80%) of the votes entitled to be cast by the Owners of Lots. Any such amendment to the Declaration must be recorded.

Section 4. Violations and Nuisance. Every act or omission whereby any provision of this Declaration is violated in whole or in part is hereby declared to be a nuisance and may be enjoined or abated, whether or not the relief sought is for negative or affirmative action, by the Association or any Owner or Owners of Lots within Mulholland. However, any other provisions to the contrary notwithstanding, only the Association, the Board, or the duly authorized agents of any of them, may enforce by self-help any of the provisions of this Declaration.

Section 5. Violation of Law. Any violation of any state, municipal, or local law, ordinance or regulation, pertaining to the ownership, occupation, or use of any property within Mulholland is hereby declared to be a violation of the Declaration and subject to any or all of the enforcement procedures set forth in said Declaration.

Section 6. Remedies Cumulative. Each remedy provided by this Declaration is cumulative and not exclusive.

Section 7. Delivery of Notices and Documents. Any written notice or other documents relating to or required by this Declaration may be delivered either personally or by mail.
