Such lien may be enforced by the foreclosure of the defaulting Owner's Lot subsequent to the recording of a notice or claim thereof by the Association in like manner as a mechanics or materialmen's lien on real property. In any such proceedings the Owner shall be required to pay the costs, expenses and attorney's fees incurred for filing the lien and, in the event of foreclosure proceedings, the additional costs, expenses and attorney's fees incurred. (F) Annual Dues and Assessments Collectible on Sale. Upon the sale or conveyance of a Lot, all unpaid annual dues or assessments, including interest and costs and reasonable attorney's fees incurred in collection, shall be first paid out of the sales price or by the purchaser in preference of any other assessments or charges of whatever nature, except the following:

In a voluntary conveyance of a Lot the grantee of the Lot shall be jointly and severally liable with the grantor for all unpaid dues and assessments by the Association, without prejudice to the grantee's right to recover from the grantor the amounts paid by the grantee therefore. However, any such grantee shall be entitled to a statement from the management agent or Board of Directors of the Association, as the case may be, setting forth the amount of the unpaid assessments against the grantor due the Association and such grantee shall not be liable for, nor shall the Lot conveyed be subject to a Lien for, any unpaid assessments made by the Association against the grantor in excess of the amount therein set forth.

(G) Mortgaging a Lot; Priority; Mortgage Subject to Declaration; Mortgagee in Title-Unpaid Assessments. An Owner shall have the right from time to time to mortgage or encumber his Lot and the interests appurtenant thereto, but the lien created thereby shall be subject to the terms and provisions of this Declaration, and any mortgagee or other lienholder who acquires a Lot through judicial foreclosure, public sale or other means shall be subject to the terms and conditions of this Declaration except as specifically excepted herefrom. Where the holder of a first mortgage of record or other purchaser obtains title to the Lot as a result of foreclosure of the first mortgage or deed in lieu of foreclosure, such acquirer of title shall not be liable for the annual dues or assessments chargeable to such Lot which became due prior to acquisition of title to such Lot by such acquirer.

(H) Non-Exemption from Payment; Board Responsibility to Collect; Interest, Costs, and Attorney Fees; Suit; Notice to Mortgagee. The amount of annual dues and assessments assessed against each Lot shall be the personal and individual debt of the Owner thereof. No Owner may exempt himself from

this liability by waiver of the use of enjoyment of any of the Common Areas or by abandonment of his Lot. The Board of Directors shall have the responsibility to take prompt action to collect any unpaid dues or assessments which remain unpaid more than thirty (30) days from the due date for payment thereof. In the event of a default by an Owner in the payment of the assessment, such Owner shall be obligated to pay interest at the rate of eighteen percent (18%), or such higher or lower rate (provided the same shall not be usurious) as the Board of Directors may from time to time determine, per annum on the amount of the assessment from the due date thereof, together with all expenses, including attorney's fees, incurred to collect such dues or assessments together with late charges as provided by the Bylaws of the Association. Suit to recover a money judgment for obligations may be instigated in Oklahoma County, Oklahoma, and may be maintainable without foreclosing or waiving the lien securing same additionally, in the event that the mortgage on a Lot should so provide, a default in the payment of an obligation shall be a default in such mortgage and if required by the mortgagee by written notice to the Association, the Board of Directors shall give notice of any default in payment of an assessment to the mortgagee.

2.9 Prohibition of Employment or Other Pecuniary Gain. No part of the assessments or net earnings of the Association shall inure to the benefit of any Lot Owner or individual, except to the extent that Lot Owners receive the benefits from the maintenance, repair, operations, additions, alterations and improvement responsibility of the Association. No Lot Owner may receive compensation, directly or indirectly, for services rendered as an officer, director or employee of the Association.

2.10 Committees. The Association shall establish an Architectural Committee and such other Committees as provided in the Certificate of Incorporation and Bylaws. The Architectural Committee shall exercise all of the rights and powers reserved herein to the Declarant once those rights have been transferred pursuant to the provisions of paragraph 5.6. If, for any reason, the Architectural Committee is not established or operating those rights and responsibilities shall be exercised by the Board of Directors.

2.11 Registration of Mailing Address of Lot Owners; Association Address. Each Owner shall register his mailing address with the Association, and notices or demands intended to be served upon an Owner shall be sent by mail, postage prepaid, addressed in the name of the Owner at such registered mailing address. All notices, demands or other notices intended to be served upon the Secretary of the Board of Directors of the Association or served upon the service agent of the Association.

3.2 Improvements and Alterations; Plans and Specifications; Approval. Except for construction by the Declarant, no building, fence, wall or other improvements or structure, including mail boxes, shall be commenced, erected, placed, moved or maintained upon the subject land, nor shall any exterior addition to or change in any improvement located on the subject land, be made until the complete plans and specifications showing the precise and exact nature, kind, shape, height, set-back, materials, color and location of the same shall have been submitted in duplicate to and approved in writing (by the Declarant as more fully described below) as to harmony of external design, color and location in relation

to surrounding structures and topography and conformity with the design concept for the improvements. Declarant may waive this requirement, at its option, by written authorization upon the terms and conditions set forth in said writing.

3.3 Minimum Square Footage. Unless otherwise stated herein, no residence shall contain less than One Thousand Three Hundred (1,300) square feet of living area. The first floor of any two-story residence must contain a minimum of Eight Hundred (800) square feet of living area.

3.4 Exterior Requirements. The exterior of any residence shall be at least fifty percent (50%) brick, stone or stucco, and fifty percent (50%) may be of frame or other material which will blend together with the brick, stone or stucco. It is the intention of this restriction to allow panels of materials other than brick, stone or stucco to be used, but in no event shall a continuing wall consisting of fifty percent (50%) of the exterior of the residence be built of any material other than brick, stone or stucco. This restriction is intended to encourage the use on the principal exterior of residences of masonry construction, but may be modified to allow the use of other materials to blend with the environment to eliminate repetition of design. In no event shall out buildings be of a material other than the residence. Chimney materials must be brick, stone or stucco to the top of the first floor plate except where the chimney is on the interior, in which case it need not be brick, stone or stucco.

In the event the Declarant fails to approve or disapprove any plans and specifications which may be submitted to it within sixty (60) days after submission, then approval will not be required, and this paragraph shall be deemed to have been fully complied with.

3.7 Construction; Limitations, Deviations from Plans and Specifications. Construction or alterations in accordance with plans and specifications approved by the Declarant shall be commenced within six (6) months following the date upon which the same are approved by the Declarant (whether by affirmative action or by forbearance from action), and shall be substantially completed within twelve (12) months following the date of commencement, or within such longer period as the Declarant shall specify. In the event construction is not commenced within the period aforesaid, then approval of the plans and specifications by the Declarant shall be conclusively deemed to have lapsed, and compliance with the provisions of this paragraph shall again be required. There shall be no deviations from plans and specifications approved by the Declarant without the prior consent in writing of the Declarant. Approval for use on any Lot of any particular plans and specifications or design shall not be construed as a waiver of the right of the Declarant to disapprove such plans and specifications, or any Areas or features thereof, in the event such plans and specifications are subsequently submitted for use upon any other Lot.

3.8 Certificate of Compliance. Upon the completion of the construction or alteration of any building, fence, wall or other improvements or structure in accordance with plans and specifications approved by the Declarant, the Declarant shall, at the request of the Owner thereof, issue a certificate of compliance which shall be prima facie evidence that the building, fence, wall, or other improvements or structure referenced in such certificate has been approved by the Declarant and constructed or installed in full compliance with the provisions of this Article.

3.9 Enforcement; Right to Correct Violations. In the event any building, fence, wall or other improvements or structure shall be commenced, erected, placed, moved or maintained upon any Lot, otherwise than in accordance with the provisions and requirements of these provisions, then the same shall be considered to have been undertaken in violation of these provisions and without the approval of the Declarant required herein. Upon written notice from the Declarant, such building, fence, wall or other

structure or improvements shall be promptly removed. In the event the same is not removed, or the violation is not otherwise terminated, within fifteen (15) days after notice of such violation is delivered to the Owner of the Lot upon which such violation exists, then Declarant shall have the right, through its agents and employees, to enter upon such Lot and to take such steps as may be necessary to remove or otherwise terminate such violation, and the costs thereof shall be assessed against Owner and the Lot upon which such violation occurred. A statement for the amount thereof shall be rendered to the Owner of said Lot, at which time the assessment shall become due and payable and a continuing lien upon said Lot and an obligation of the Owners, and may be enforced as a judgment lien. The Declarant shall have the further right, through its agents, employees or committees, to enter upon and inspect any Lot at any reasonable daylight hour for the purpose of ascertaining whether any violation of the provisions of this paragraph or any of the other provisions or requirements of this Declaration, exists on such Lot.

3.10 Fences. Fences must be of wood construction in the dog eared style and may not exceed six (6) feet in height. All fences must commence at least five (5) feet from the front of the structure.
