In order to preserve the aesthetics and attractiveness of the Lake Common Area for the benefit of all Property in Belmont Farms, the Association shall use reasonable efforts to maintain the water level of the lake or pond located in Lake Common Area so that the water level shall be within one foot of the point which is 1,025.9 feet above sea level.

ARTICLE VI

CLASSES OF MEMBERS AND VOTING RIGHTS

The Association shall have two (2) classes of voting membership as follows:

Section 1. Voting Classes

Class A. Class A Members shall be all those Owners of single-family residential Lots with the exception of DECLARANT. Each Class A Member shall be entitled to one vote for each Lot in which the member holds the interest required for membership by Article IV. When more than one person holds such interest in any Lot, all such persons shall be members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one vote be cast with respect to any Lot.

Class B. Class B Member(s) shall be the DECLARANT, its successors and assigns. The Class B Member (s) shall be entitled to four (4) votes for each Lot in which it holds the interest required for membership by Article IV. The Class B membership shall cease and be converted to Class A membership on the happening of either of the following events, whichever first occurs:

- c) Or earlier if in its discretion the DECLARANT so determines.

From and after the happening of these events, whichever occurs earlier, the Class "B" Member shall be deemed to be a Class "A" Member entitled to one vote for each Lot in which it holds the interest required for membership under Article IV hereof.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of Lien and Personal Obligation of Assessment. The DECLARANT, for each Lot owned within the Properties and for each additional Lot which may hereafter come within the jurisdiction of the Association, and each Owner of any Lot in any platted area which is a part of the Subdivision, by acceptance of a deed therefor, whether or not it shall be so expressed in any such deed or other conveyance, is deemed to covenant and agree to pay the Association: (1) annual assessments or charges; and (2) special assessments for capital improvements; such assessments to be fixed, established, and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a charge on collection thereof, as hereinafter provided, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made, pursuant and superior to any homestead or other exemption provided by law, which lien may be enforced by the Association and may be foreclosed in any manner provided by the laws of the State of Oklahoma for the foreclosure of mortgages or deeds of trust, with or without power of sale. Each such assessment, together with such interest, costs and reasonable attorneys' fees shall be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation shall not pass to his successors in title unless expressly assumed by them but, nevertheless, the lien above mentioned arising by reason of such assessment shall continue to be a charge and lien upon the land as above provided.

Section 2. Purpose of Assessments. The Assessments levied by the Association shall be used exclusively for the purpose of promoting the health, safety and welfare of the property owners, and, in particular, for the improvement and maintenance of properties, services and facilities devoted to this purpose and related to the use and enjoyment of the Common Areas, including, but not limited to, the maintenance of insurance thereon, repairs, replacements and additions thereto, ad valorem and other property taxes and assessments levied thereon, for the cost of labor, equipment, materials, management and supervision thereof, and utility services for the Common Areas. NOTE: The maintenance and upkeep of the Gardens Area Security Gates will be the responsibility of the Belmont Farms Garden I homeowner's only and any expense incurred will be paid from the Belmont Farms Gardens I homeowner's annual dues or by special assessment if necessary.

Section 3. Basis and Maximum of Annual Assessments. Until January 1, of the year immediately following the conveyance of the first Lot to an owner, the maximum annual assessment shall be as follows:

<u>Type of Member</u>	<u>Amount</u>
Class A	\$ __300__ per year
Class B	\$ __-0-__ per year per lot

A. From and after January 1, of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased effective January 1, of each year without a vote of the membership in conformance with the rise, if any, of the Consumer Price Index (published by the Department of Labor, Washington, D.C.) For the preceding month of July.

B. From and after January 1, of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment as to any or all classes of members may be increased above that established by the Consumer Price Index formula by a vote of the members for the next succeeding year and at the end of such period of one (1) year, for each succeeding one (1) year; provided that, any such charge as to any class shall have the assent of one-half (1/2) of the members of each such class, pursuant to votes cast in person or by proxy, at a meeting called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) nor more than sixty (60) days in advance of the meeting setting out the purpose of the meeting.

C. After consideration of current maintenance costs and future needs of the Association, the Board of Directors of the Association may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy in any assessment year, as to any or all classes of Members, a special assessment applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, unexpected repair or replacement of a described capital improvement upon the Common Area, including the necessary fixtures and personal property related thereto; provided that, any such assessment as to any class shall have the assent of at least one-half (1/2) of the Members of each class, pursuant to votes cast in person or by proxy, at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) nor more than sixty (60) days in advance of the meeting setting forth the purpose of the meeting; provided further, that the maximum amount of any special assessment which may be assessed against any Member of any class in any assessment year shall not exceed an amount equal to twice the annual dues assessed against said Members for the same year.

Section 5. Uniform Rate of Assessment. Both annual and special assessments must be fixed

at a uniform rate for Class A Member and may be collected on an annual basis.

Section 6. Quorum for Meetings. At any meeting of the Members of the Association, the presence at the meeting of Members or of proxies entitled to cast a majority of all the votes of each class of membership shall constitute a quorum; provided; however, that if the required quorum is not present at any meeting duly called, the Members present, though less than a quorum, may give notice to all members as required herein for transaction to be considered, at a recessed meeting, and at the recessed meeting one-half (1/2) of the required quorum at the preceding meeting shall constitute a quorum. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting nor less than fifteen (15) days after the recessed meeting.

Section 7. Commencement Date of Annual Assessments. The annual assessments provided for herein shall commence as to all Lots on the first day of the month following the conveyance of the Common Area. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. Within ten (10) days after a single-family home is initially occupied by any person, whether by lease or otherwise, the Owners thereof shall furnish written notice of commencement of such occupancy to the Association. The due date(s) shall be established by the Board of Directors. The Association shall, upon demand at any time, furnish a certificate in writing signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. A reasonable charge may be made by the Board of the issuance of these certificates. Such certificate shall be conclusive evidence of the payment of any assessment therein stated to have been paid.

Section 8. Effect of Non-Payment of Assessments and Remedies. Any assessments that are not paid when due shall be delinquent. If the assessment is not paid within thirty (30) days after its due date, the assessment shall bear interest from its due date at an annual rate of one and one-half percent (1 1/2 %) per month plus a late fee of \$25.00, and the Association may bring an action at law against the Owner personally obligated to pay same, and/or foreclose the lien against property as provided by the laws of the State of Oklahoma for the foreclosure of a mortgage or deed of trust, with or without power of sale; and interest costs and reasonable attorneys' fees of such action shall be added to the amount of such assessment. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Areas or abandonment of his Lot.

Section 9. Subordination of Lien to Mortgage. The lien of the assessments provided for herein shall be subordinate to the lien of any first lien priority real estate mortgage. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage, pursuant to a decree of foreclosure under such first lien priority mortgage or any proceeding in lieu of foreclosure thereof, shall extinguish the lien of such assessments as to payments thereof which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof nor shall such sale or transfer release personal liability of the owner foreclosed.

Section 10. Exempt Property. The following property subject to this Declaration shall be exempt from the assessments:

- (a) All properties dedicated to and accepted by a local public authority;
- (b) The Common Areas;

Section 11. Change of Ownership. Any person becoming an Owner shall, within ten (10) days next following the recording of a deed reflecting such person as Owner, give written notice to the Association that such person has become an Owner.

ARTICLE VIII

USES OF LAND

All lots and blocks shall be used for private residence purposes only. No store or business, no gas or automobile service station, and no flat, duplex or apartment house, though intended for residence purposes, and no building of any kind whatsoever shall be erected or maintained thereon, except private dwelling houses, and each such dwelling house being designated for occupancy by a single-family in its entirety.

The following blocks shall be used as Common Area only:

- Belmont Estates 1 - Blocks A, B, C, & D

No animals, livestock or poultry of any kind shall be raised, bred or kept on any Lot except that dogs, cats or other household pets may be kept, provided they are not kept, bred or maintained for any commercial purpose, or create a neighborhood nuisance.

ARTICLE IX

Section 1, Architecture. Complete plans including plot plans, elevations, floor plans, specifications, and landscape plans for any structure proposed to be erected must first be submitted to the Declarant and written approval thereof obtained from the Declarant prior to the commencement of any construction upon all Lots. If the Declarant does not act within thirty (30) days, the structure may be considered approved.

Section 2, Size and Height. Residences constructed must have a minimum floor space and roof height as follows:

	Square Footage	Roof Pitch
Belmont Gardens 1	1,800-sq. ft.	10/12
Belmont Village 1	2,400 sq. ft.	9/12

All Blocks and Lots inclusive are to follow the above mentioned minimum floor space and may not exceed a maximum of two (2) stories. No flat roofs are allowed. NOTE: See garage requirement in Section 8.

Section 3, Materials. The principal exterior of any residence shall be at least sixty (60%) percent brick or stone and forty (40%) percent may be lap siding or other material which will blend together with the brick or stone. No stucco homes will be allowed. It is the intention of this restriction to allow panels of other materials than brick or stone to be used, but in no event shall a continuing wall consisting of forty (40%) percent of the exterior of the residence be built of any material other than brick or stone. This restriction is intended to restrict the principal exterior of residences to masonry in their construction, but is modified to allow the use of other materials to blend with the masonry to eliminate repetition of design. Any deviation from the above must be approved by the Architectural Review Committee in advance, and by the Declarant.

In computing the required square footage of ground floor space for masonry, the doors and windows are excluded and the vertical space is from the exterior finish grade to the top of the top plate of the first floor.

Section 4, Roofing. All roofing materials must be of asphalt composition shingle similar to, but not limited to, Elk Products - Capstone series. Color: Focal Gray, Granite, Mossrose or other colors that are of matching tone, in the event these named colors are not available. Tile or wood shingles may also be used. Painted Metal valleys are required on all roofs. The valleys on composition roofs must be factory painted and sealed with the color to match the roof material. Any deviation from these must be approved by the Architectural Review Committee or the Declarant. The acceptable roofing material must be of pounds per square as follows:

Belmont Gardens 1	30 year roof /300lb.
Belmont Village 1	30 year roof/300lb.
Belmont Estates 1	40 year roof/300lb.

All pipes extending above the shingles must be painted to match the color of the roof.

Section 5, Chimneys. Brick or stone-faced chimneystacks are required for all fireplaces above the roof line.

Section 6, Mailboxes. Each home must have a brick or stone mailbox structure matching the exterior of the home.
