## NOVA 2010 Annual Meeting & Swim Passes

This pool season we will be distributing the 2010 pool passes AFTER the annual meeting on Tuesday, April 6, 2010. Please come for the meeting and then pick up your family's pool passes after the meeting has concluded. Additionally, this year, in order to obtain your pool passes, you will be asked to fill out a Member Information Card to be used only in case of emergencies at the pool.

Please join us for the annual meeting at Putnam City Baptist Church at 11401 N. Rockwell Avenue at 7pm. If you are unable to make this date, please stop by one of our regularly scheduled monthly meetings. All meetings start at 7:00pm and are held at PCBC.

### NOVA SWIM TEAM

### Join us for the 2010 Summer Season!

Sign up will begin soon for the Warwick Place Swim Team. No prior experience necessary.

Ages 5 to Senior in High School allowed.

Last year our team brought home the FIRST PLACE trophy in the medium division teams.

It is great daily exercise and a great way to make new friends. We would love to have you join our team this year.

### Reminder of Neighborhood Covenants

The Oklahoma City Fire Department has asked us to remind our residents to not park on the street at night. It is very hard for an emergency vehicle to maneuver down a street that has parked cars on it. A parked car might also block the view of a house address on the curb slowing down response time from the emergency vehicle.

## NOVA Easter Egg Hunt

Come join us in the park area (by the pool) for the annual Easter Egg Hunt on Saturday, April 3, 2010 at 11am. Bring your Easter basket to hold all those eggs you will find! Please contact Michelle Nisbett at [osunezz@yahoo.com](mailto:osunezz@yahoo.com) or 720-8471 for further questions.

You can find NOVA's bylaws and other information by visiting NOVA's web site at [www.neighborhoodsplus.com](http://www.neighborhoodsplus.com). Click on "Search by Neighborhoods List" and then "Nova" to gain access to our website.

### Warwick Place Tennis Court

A lock has been installed on the gate to the tennis court to help reduce non-tennis activities on the court. The code on the lock is 2-12-2.
