Spring Fling Neighborhood Beautification Project

Saturday, April 17 9 a.m. to Noon

Break out your green-thumbs and elbow grease! We need EVERYONE in the neighborhood to lend a hand to plant, mulch and clean up Thornbrooke Village!!

We realize that Saturdays are busy times for everyone. If you can only work an hour or so, that's great! If there is no way to physically contribute to the project, any kind of donation to the neighborhood would be greatly appreciated!

Getting Started

Please meet at the Main Gates at 9 a.m. We have several areas to work on including the areas on either side of Thornbrooke Boulevard, the greenbelt areas, the “north 40” and the flower beds inside & outside the gates.

What to Bring?

Trash Bags
Shovels/Spades
Hoes
Rakes
Clippers
Broom
Dust Pan

Make sure you identify your tools! Write your name/initials directly on the tool or use masking tape. This will prevent any mix-ups!

What's the Plan?

Kathy Dowling will be directing the planting and clean-up efforts. We have lots of annuals and perennials to plant that will make Thornbrooke Village even more attractive.

We will also be doing general clean up, trimming trees and bushes and removing dead trees/branches if possible.

Top 10 Reasons To Help!

1. Work off all that Easter candy!
2. Make TBV look better than Old Thornbrooke.
3. The Masters doesn't start until afternoon.
4. Channel your young kids' energy.
5. Motivate your teens to put down their cell phone and get outside.
6. Get back to nature.
7. Find the basketball that rolled down the drainage area.
8. Helps get you bikini-ready for summer.
9. You'll be too tired to work in your own yard.
10. Gives you a great reason for a manicure next week.
