Gate Information: To purchase additional gate remote controls, please contact www.gatehousesupplies.com (Multi-Code Model #3089) for \$11.20 + shipping. It is recommended that homeowners acquire a remote for the front gate in the event of a keypad malfunction. Also, be aware that homeowners are able to open the gate for guests from their home phone only if guests use the front gate phone system to contact the homeowner. When guests call a homeowner using the front gate keypad, the homeowner must answer and dial "6" in order to activate the gate.
